## Oklahoma Statutes Citationized

## Title 63. Public Health and Safety

## Chapter 1 - Oklahoma Public Health Code

## A. Licensing and Regulations

## Article Article 7 - Hospitals and Related Institutions

## Section 1-702c - Application for Federal Reimbursement for Medicare Beneficiaries

Cite as: O.S. §, \_\_ \_\_

---

With available funds, the **State Department of Health** shall apply to the Secretary for the federal Department of Health and Human Services for any and all waivers, grants, or other assistance that would allow or facilitate the establishment of a program of enhanced reimbursement for services provided to Medicare beneficiaries in emergency hospitals in rural areas of the state.
